

Join The Religious Revolution!

For thousands of years the pure and simple belief in God, the Designer and Creator of the universe, has been held hostage by “revealed” religions! Greedy and dishonest men have smothered this natural and reason-friendly idea of a Creator for their own selfish desires!

By making false claims to direct communication with the Creator, they have filled volumes of pages with nonsensical fear producing dribble that they called “holy scripture”! Whether it’s called the Torah, Old or New Testament or the Koran, it’s all ancient gibberish that goes directly against our God-given reason!

Finally, towards the end of the European Age of Enlightenment, a reason-friendly system of belief in God was born! It is called Deism!

Deism happily unites our God-given reason with a realistic belief in Nature’s God. We’re no longer burdened with such insane ideas as original sin, a vengeful and jealous God, a flat earth, the road to salvation requiring a bath in the blood of a man-God, ad nauseam! Deism points to the Designer of Nature, our Creator, by applying our God-given reason to the designs in nature. This is truly a strong clean and healthy break with the ancient “revealed” religions and their fear-based superstitions and man-made myths!

If you would like to learn more about Deism, if you’d like to free yourself and your family and friends and society from the man-made unreasonable dogmas of the various “revealed” religions, write us, the World Union of Deists, for a free information packet on Deism.
