

# What's Wrong With Women?

An 81 year old lady was fired from her position as Sunday School teacher at a Baptist Church. Why? Because the Baptist minister who oversees the church decided to follow the teachings of the Bible. In particular, I Timothy 2:12 which reads, "I do not permit a woman to teach or to have authority over a man; she must be silent."

Saul, aka the Apostle Paul, who is credited with writing this ignorant verse, was steeped in Jewish unreasonableness – he was a religious man. The Jews hold women in disrespect. It is part of their religion. For example, Leviticus 27:1-7 has the Bible god valuing men at 50 shekels and women at 30 shekels! Clearly, men aren't worth much, but women are worth even less in the Jewish Bible. Since Christianity sprang from Judaism, it's not surprising that women are degraded in this "revealed" religion of love, too!

If we let go of the "holy books" written by superstitious men wallowing in ignorance, and if we instead embrace our God-given reason, we will realize the holes in the "holy books"! To degrade women because of an ancient superstition is wrong and ignorant. If we use our common sense that God gave us, we will see that many women are much more intelligent than many men. To waste this intelligence is foolish and wrong.

Isn't it time was as both individuals and as a society broke free of the ancient ignorance and fear based "revealed" religions and instead progress using our God-given reason??? We don't need man-made books to tell us about God. We have God's book, the Creation! No one except the Creator could have made the Creation! As Thomas Jefferson wrote, we have "Nature's God", we don't need Abraham's!
